

Primary School Sport Funding 2021-22

Furley Park Primary Academy

The Government have provided Primary Schools additional funding for academic years each year since 2013 to improve provision of PE and sport in primary schools. Funding has been allocated to all maintained and state-funded schools with primary phase pupils. Each school is allocated £16,000 and an additional £10 per child between the ages of 5-11.

	Pupils Numbers	Total
Main PE & Sport Grant	-	£16,000
Additional pupil funding (ages 5-11)	522	£5,220
Balance to be carried forward from 2019/2020	-	£6,456.80
Balance carried forward 2020/2021		£10,980
	Total Funding Allocation 21/22	£38,656.80

- This carried forward figure differs from the originally reported to included contribution in sports coach wage

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school

- All children within Furley Park Primary Academy will take part in two PE lessons each week. Where teacher subject knowledge and confidence is low, one or both of these sessions will be led by the Sports Coach. Through careful observation, team planning and teaching and a review of identified areas by the Sports Coach and teacher we hope to increase staff members' confidence and knowledge of teaching PE.
- Children will be encouraged to walk/cycle/scoot to school and take part in the Walk on Wednesday Incentive.
- Each class will nominate two play leaders, who will be given play leader packs, resources for the playground for each class and support to encourage their classmates to join in with games and activities during their bubble's breaktimes.
- Teachers will be encouraged to engage their class in physical activity throughout the day (Brain breaks, GoNoodle, Yoga, etc)
- After school clubs have been reinstated this year, increasing the sporting opportunities the children have access to within Furley Park.
- Children will regularly take part in Active Maths to encourage them to be active in other areas of the curriculum.

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement

- Our Sports Coach will run interventions for children who require extra support, for example; Fizzy and Sensory Circuits.
- Our aim is for all PE teaching to be either Good or better through targeted CPD with the Sports Coach.
- PE teaching will encompass the whole person, taking into account thinking, social and personal skills as well as the physical and tactical skills.
- Whole school sports day

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

- Teachers will receive comprehensive CPD, led by the Sports Coach, in areas of weakness which have been identified from staff questionnaires.
- The PE Scheme of Work, including long and medium term planning will be completed and regularly updated in collaboration with our Academy Partner School, Hamstreet Primary Academy. This planning will include progression of skills and will be available to all staff across the two academies.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

- We will ensure that a wide range of sports are provided through in school lessons and after school opportunities.

Key indicator 5: Increased participation in competitive sport

- We will take part in competitions with Hamstreet.

A comprehensive action plan detailing the objectives, focus, impact and actions to be completed by when and by whom can be viewed on a separate document.

Here is a breakdown of how the Sports Premium funding will be spent for the Academic Year 2021/2022:

Sports Grant Budget for Financial Year 2021/22	PE and Sport Grant
	£38,656.80
Grant used to fund:	Cost:
Sports Coach	£22,122
Sports Day (Term 6)	£6588 replenish damaged lost equipment
Active Maths (Term 3)	£416.66
