

Primary School Sport Funding 2022-23

Furley Park Primary Academy

The Government has provided Primary Schools additional funding since 2013 to improve provision of PE and sport in primary schools. Funding has been allocated to all maintained and state-funded schools within the primary phase. Each school is allocated £16,000 and an additional £10 per child between the ages of 5-11.

	Pupils Numbers	Total
Main PE & Sport Grant	-	£16,000
Additional pupil funding (ages 5-11)	580	£5800
Balance to be carried forward from 2021/2022	-	£8,455.26
	Total Funding Allocation 22/23	£30,225.26

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school

- All children within Furley Park Primary Academy will take part in two PE lessons each week. Where teacher subject knowledge and confidence is low, one or both of these sessions will be led by the Sports Coach. Through careful observation, team planning and teaching, and a review of identified areas by the Sports Coach and teacher, we hope to increase staff members' confidence and knowledge of teaching PE.
- Children will be encouraged to walk/cycle/scoot to school and take part in the Walk on Wednesday incentive.
- Each class will nominate two play leaders, who will be given play leader packs, resources for the playground for each class and support, to encourage their classmates to join in with games and activities during breaktimes.
- Teachers will be encouraged to engage their class in physical activity throughout the day (Brain breaks, GoNoodle, Yoga, etc)
- After school clubs have been reinstated this year, increasing the sporting opportunities the children have access to within Furley Park.
- Children will regularly take part in Active Maths to encourage them to be active in other areas of the curriculum.

Key indicator 2: The profile of PESSPA (Physical Education, School Sport and Physical Activity) being raised across the school as a tool for whole school improvement

- Our Sports Coach will run interventions for children who require extra support, for example; Fizzy and Sensory Circuits.
- Our aim is for all PE teaching to be either Good or better through targeted CPD with the Sports Coach.
- PE teaching will encompass the whole person, taking into account thinking, social and personal skills as well as the physical and tactical skills.
- Whole school sports day which includes opportunities for children to take part in team games along side individual events. Each of these are within the 'Houses' encouraging a team ethos.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

- Teachers will receive comprehensive CPD, led by the Sports Coach and other highly skilled staff, in areas of weakness which have been identified from staff questionnaires.
- The PE Scheme of Work, including long and medium term planning, will be completed and regularly updated in collaboration with our Academy Partner School, Hamstreet Primary Academy. This planning will include progression of skills and will be available to all staff across the two academies.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

- We will ensure that a wide range of sports are provided through in school lessons and after school opportunities.
- Furley Park Primary academy has just completed the building of a swimming pool. The teaching staff have been trained as 'Teacher of School Swimming'. They have also undergone life guard training.

Key indicator 5: Increased participation in competitive sport

- We will take part in competitions with Hamstreet.
- This year has also seen Furley Park sign up to local sporting events. Solid foundations are being built for this to have a bigger impact starting September 2023.
- We have also developed relationships with local primary schools to extend our competition offer.

A comprehensive action plan detailing the objectives, focus, impact and actions to be completed by when and by whom can be viewed on a separate document.

Here is a breakdown of how the Sports Premium funding will be spent for the Academic Year 2022/2023:

Sports Grant Budget for Financial Year 2022/23	PE and Sport Grant
	£30,225.26
Grant used to fund:	Cost:
Sports Coach	£24,659
After Schools Clubs	£332
Facilitating Activities Health/Wellbeing	£1666
Swimming Training	£1520
Life Guard Training	£700
Equipment	£1400
Total	£30,287.26

Swimming

National Curriculum requirement	% of children achieving this
Meeting national curriculum requirement for swimming and water safety.	65%
What percentage of the current year 6 cohort swims competently, confidently and proficiently over a distance of 25 meters?	65%
