Head of School: Mrs Emma Collip BA. (hons) PGCE NPQH

Deputy Heads: Miss Janine Blundy BEd. (hons) & Mr Joe McGuire BA. (hons) PGCE

## Club Information

Dear Parents / Guardians,

Please find attached a copy of the **Club Timetable** and **Club Description** for Terms 5 & 6. The timetable is also available on the school website, on noticeboards around the school and from the school office.

If your child would like to take part in an after-school club in terms 5 & 6, please open the **Clubs** section on the MCAS main menu.

Three tabs along the top of the page will show **Enrolled**, **Available** and **Waiting List**.

Select **Available** to see the clubs that are available to the child you currently have selected in the app. Choose the club you are interested in and then select the “**Add to Waiting List**” button and the bottom of the page. **Be aware that although the club will indicate that it is FULL, it is not, this is just used to help up create the waiting list.**

Your selection will then be moved to the **Waiting List** tab. Select this tab to see which clubs you are in the waiting list for. You are able to remove your child from the list by selecting the **Remove** button.

Membership lists will be confirmed on **Thursday 18<sup>th</sup> April**. We will email you on Friday 19<sup>th</sup> April to let you know your child has a place. Please note that spaces are allocated on a first-come, first-served basis. The **Enrolled** tab will also be updated to show which clubs your child has been allocated. If the club is full and you do not have a space your club choice will stay on the **Waiting List** tab. You will be contacted if a space becomes available.

Please note, there are some occasions when some clubs may not run - this information is given on the attached **Club Timetable**. When you have signed up to a club the MCAS app will also display the next scheduled club session.

**Please make sure that children are collected from clubs at the correct time.** If your child is repeatedly not picked up on time, they will not be able to continue to attend the club.

Full details of times and dates for clubs are available on the school website and on noticeboards around the school. Please also check the dates and times that clubs start and finish so that children are not left at school when a club is not running.

There is no limit to the number of clubs that a child can attend in a week; however, we do urge you to be mindful that children are often very tired after a day at school and too many after school activities can have a negative impact on their well-being. Please only include them in clubs that they really want to be part of.

Kind regards

Janine Blundy  
Deputy Head

## Club Descriptions

### **Year 1 & 2 Athletics Club**

Athletics club will be a fun and engaging environment for years 1 and 2 to come and develop their skills in all areas of Athletics. The aim of every lesson is for all the children to gain a lot of confidence in new activities and a chance to make new friends.

### **Year 5 & 6 Girls football Club**

Year 5 & 6 Girls Football club will be a fun, competitive and engaging environment for years 5 and 6 girls to come and develop their skills in all areas of Football and a chance and with the potential to showcase these skills in competitive matches against other schools. The aim of every lesson is for all the children to go home feeling more confident and happier with all the new skills learnt and hopefully some new friends made along the way.

### **Year 3 & 4 Football Club**

Year 3 & 4 Football club will be a fun, competitive and engaging environment for years 3 and 4 children to come and develop their skills in all areas of Football and a chance and with the potential to showcase these skills in competitive matches against other schools. The aim of every lesson is for all the children to go home feeling more confident and happier with all the new skills learnt and hopefully some new friends made along the way.

### **Netball Club**

Netball club will continue to be **invitation only** for children in Years **5** and **6** that are already representing Furley Park in a team. The children will continue to focus on their gameplay skills in order to support our success in the Ashford Netball Youth League.

### **Multiplication Mastery Club for Year 5**

Times Table Games - In this club we practise our times tables, and we have fun doing it! Each week we will work together to master the times tables that we are working on, and we will do it with smiles on our faces!

### **Reading Club**

Come along with your favourite book and enjoy some quiet time reading or discussing our favourite authors and stories of all genres.

### **Pizza, Reasoning and Reading - Invitation Only**

Pizza and Reasoning? Pizza and Reading? All three together?? What a combination! A fun, engaging and creative take on maths reasoning and reading designed to help and support children to improve their thinking skills. Pizza Reasoning and Reading Club does what it says on the tin! 90 minutes of maths reasoning and reading with pizza in between! What more could you want from an afterschool club?

### **Mythology Club**

In this club, we will learn about a different ancient Greek myth every week. We will discuss the adventures of Perseus, find out about Atalanta's journey with the Argonauts, and discover the bizarre origins of gods themselves.

### **Shakespeare Club**

This year Shakespeare Club will be rehearsing to prepare for our performance of a well-loved Shakespeare play at a local theatre in either Term 2 or 3 next year. We work together to build on our performing arts skills, building self-confidence and self-esteem, and a strong team spirit whilst having a great deal of fun along the way. A level of commitment is required and regular attendance is essential please.

### **Forest School**

Forest School Club will provide opportunities to explore, play and learn in the natural environment, mostly in the woods but sometimes within the school grounds. Your child is likely to get dirty and may have the opportunity to use small tools for cutting and making things. Club will run despite the weather, coats and wellies may be needed.

### **Fruit and Fiction**

Sit back as we enjoy fruit snacks and escape to exciting new worlds through stories.

### **Coding Club**

Code Club will provide step-by-step activities for children to follow so that they can create games, animations, and websites, learning the key concepts of coding at the same time. Children will learn about Scratch, HTML/CSS, and Python. Learning to code changes the way children analyse and solve problems and encourages creative thinking and collaboration.
