

Dear Parents and Carers,

Welcome back to the new term- a cold but lovely start. It was wonderful to see the children eagerly arriving back at school on Monday. We had a wonderful assembly where they talked about their Christmas and New Year celebrations. Children have been tasked with choosing the value that we are going to focus on this term, and I am eagerly awaiting their decision.

We look forward to seeing you all next week for parents' evening. This will be an opportunity for you to speak directly to your class teacher about the test results you received before the holidays. Feedback from parents has been that they really value the opportunity to talk about their child and what is in place to ensure excellent academic progress is made. It is an opportunity for a two way conversation about what is required and next steps.

Mrs Collip

### PTA School Disco

### Parents' Evening

Parents evening is on 13<sup>th</sup>/14<sup>th</sup>/16<sup>th</sup> January. You will be able to book, on the MyChildAtSchool App. If you have any questions, please email [enquiries@furleypark.org.uk](mailto:enquiries@furleypark.org.uk)

### Congratulations!!

Huge congratulations to Miss Hilton on her recent wedding. Wishing the new Mrs Rogers and her husband all the happiness in the world.

### Lost and Found

We have a collection of lost and found items from 2024 in the school office that will be discarded in two weeks. If you are missing anything, please stop by to check if it's there.

### 2025 Admissions

The deadline for September 2025 Admissions is Wednesday 15<sup>th</sup> January so if you have a child starting school in September, you will need to apply before then, Please email [enquiries@furleypark.org.uk](mailto:enquiries@furleypark.org.uk) if you would like to book a walk around.

### Curriculum topics this term!

Cuckoos are going on 'The Quest' and are learning about famous figures from the past, from around the world.

Years 1 and 2 are learning about famous inventors and their inventions, in **Time Travellers**.  
Years 3 and 4 are also using history skills as they learn about the **Tudor House**.

Years 5 and 6 have a science focus as they learn more about the human body in **Inside Out**.

**You can find out more information about our curriculum by clicking [here](#)!**

### Driving on School Site

We have been receiving many complaints of drivers driving too fast around the driveway when using the drop off zone. The driveway is full of children in the morning and afternoon and your speed should not exceed 10 miles per hour. This is in place to keep your children safe – **PLEASE WATCH YOUR SPEED**
